Dear Ladies and Gentlemen,

please execute our following selling order:

Company	
Company Number	
Name of Trader	
Quantity (t/EUA/CER)	🗆 EUA 🗆 EUAA 🗆 CER 🗆 ERU
Price Limit / Market	
Others	

To execute a selling order in EUA/CER we have already delivered the necessary EUA/CER/ERU onto our trading account number DE-100-5016902-0-12 at the EC registry.

This order is valid and legally binding for Trader until being executed by the Broker Advantag. The request is accepted through the Broker by entering the Traders request into the Trading platform. The request can be cancelled through the Trader. A valid request cancellation requires explicit acceptance of cancellation by the Broker. Purely sending a request cancelation request not confirmed by the Broker is not sufficient. The Broker is not forced to accept this request, especially if orders entered into the Trading system can not be recalled in due time. The Trader reaffirms to act on his own account and his own behalf and to have taken his own decision. The Broker did not consult the Trader about volumes, timings, trading limits and so on. This request becomes part of the latest contract and price agreement of the contract between the Trader and Advantag Aktiengesellschaft. After the order is executed, both parties have to sign the Single Trading Agreement.
